### SAFETY ALERT NOTICE

**Alert Date:** AUGUST 28, 2020

### FRAUD NOTICE: IRIA-US

The authentic International Rescue Instructors Association (IRIA) is disappointed to yet again issue another fraud alert notification. There is only one IRIA, no other contracts or agreements have been issued, all other IRIA's are to be considered predatory frauds and should be reported.

IRIA believes that thousands of our brothers and sisters throughout Asia practice honest and ethical business and training programs in good faith of the ethos and ethics of the International Water Safety and Rescue Society. IRIA stands strong with the ethical and honorable brothers and sisters who understand that truth in training is a value and what unites us.

However, we have a few thieves and predators in our society who are a bad reflection on the thousands who have integrity. We must rid this disease from our community before they take somebodies life. Or who dies post training from incompetent methods. Or signs illegal contracts and misrepresents themselves to credible organizations that need verified and safe training for their personnel.

Don't be fooled by frauds, do not believe their credentials, they must be audited by a third party assessor to be authentic! These frauds cannot produce any verified training documents to defend themselves as IRIA or as approved instructors.
